

Studio Designer

Catalano Architects is seeking a Studio Designer with 5 years of single-family residential design experience in all phases of project design and construction. The desired candidate will be an independent thinker with an outstanding aptitude for design, strong verbal and visual communication skills, attention to detail, and a positive and collaborative attitude.

For more than 30 years we've persistently honed our craft. A historic understanding of architecture fuels and informs our exceptionally high standards – allowing us to discover and define the details that lead to remarkable design. We're looking for an assertive designer that enjoys problem solving, takes initiative, and brings new ideas to a dynamic work environment. If you are innovative, a motivating team builder and thrive in a fast paced, results- driven environment – we'd love to hear from you.

Responsibilities include:

- Ensure a high level of design excellence across multiple projects
- Drive collaboration firm-wide
- Serve as an important design resource within the firm
- Oversee quality assurance processes
- Champion client satisfaction

Qualifications:

- Bachelor's or Master's Degree in Architecture
- Licensure, and registration preferred
- Minimum of 5 years of residential design experience
- Knowledge of construction administration
- Ability to consistently look for opportunities to elevate design strategies and outcomes
- Quality assurance experience
- CAD, Photoshop, and Sketchup experience required
- ArchiCAD experience a plus
- Experience with 2D rendering and 3D modeling in various design platforms
- Flexibility to travel in New England
- Proficiency in Adobe Suite

If you have a passion for exceptional design, successfully managing multiple priorities and thinking “big picture”, please send a letter of interest, your resume and a portfolio of relevant work to: ewalburg@catalanoarchitects.com.

Our firm values a positive work/life balance, and we offer competitive salaries, health insurance premium coverage, 401k plan with 3% employer contribution, and continuing education. Pay commensurate with experience. We are an Equal Opportunity Employer.
